

Family Covenant 2023-2024

In order to preserve the function and integrity of CLC and to provide a biblical role model to our members and the community, it is imperative that all members, adults and children, agree to and abide by the CLC Family Covenant.

CLC Provides:

Covenant Light Co-op (CLC) is an activity of Covenant Light School. We seek to provide a whole-group experience for students in a positive environment of respect, diligence, and high standards. We rely on each family to contribute to the success of the co-op on a weekly basis. We hold all participants to a standard of behavior consistent with conservative family values.

CLC Mission Statement

CLC exists to honor the Lord by providing support and encouragement to homeschooling families; through group classes, extracurricular events, and social opportunities.

Covenant Light Co-op (CLC) classes will be held at First Baptist Church of Mt. Dora each Thursday, beginning August 17, 2023, through May 2, 2024. Please check the co-op calendar found on the website for days off for holidays and breaks.

CLC follows local, state, and federal guidelines for closures relating to weather issues or pandemics.

CLC Requires:

- Co-op requires the commitment to attend co-op each week. Teachers must be notified of absences with as much prior notice as possible. As a courtesy, please contact teachers via the class forum and/or via text or phone call.
- Families should make every effort to be at co-op on time and leave promptly at the end of the day when volunteer duties are completed.
- When attending co-op, children must be accompanied by a parent or guardian, unless express permission is given by the board of directors. Consideration is reserved for emergency situations or for extenuating circumstances. If approved, proper documentation must be submitted to a board member in advance.
- On campus visitors, including guest speakers, family members, etc., must have prior approval by the board with as much advance notice as possible for approval. Children whose families are not members of CLC may not be enrolled, attend classes, or be left in the nursery without prior approval.
- Nursery and Pre-k classes are a service provided for CLC teachers and/or teacher assistants only.
- Each family is required to contribute in some capacity during co-op. Board members will assign duties based on families' schedules and with fairness. Duties include but are not limited to: Teaching, Teacher's Assistant, Nursery/Pre-k, and Team Facility Duties.
 - Any lack of cooperation to contribute to the success of this community will be recorded and may hinder any future participation in this co-op.
- In the event of any facility damage, the family of the person involved is responsible for repair or reparation.
- No outside sales are permitted at co-op unless they are directly related to a CLC function.

Financial Information

Co-op fees will be used to pay for the facility, general liability insurance, cleaning supplies, printing costs, minor supplies for co-op classes, and any other operational expenses deemed necessary. I also understand that my registration form and fees are my commitment to participate in the co-op. These fees are not refundable, since dues to the church, insurance, books and supplies are all purchased at the beginning of the school year.

Fees are due in full at registration or by 7/15. These fees are not adjusted if you join in the middle of the year due to the fact that the costs to operate do not change.

Therefore, I understand that I must pay co-op fees that are nonrefundable.
